Fall Sports Season

Cheerleading
The Varsity Cheer program at WA builds school spirit by cheering at pep rallies, football and basketball games. The cheerleaders perform routines and cheers at these events to get students excited for athletics at WA. Not only do they promote school spirit through cheerleading but they also support the football and basketball teams with weekly ‘Ball Buddies’, which are pre-game treats for the players. The girls also perform at pep rallies for both Homecoming and Winter Court games. The Varsity Cheerleaders spread their abilities to the ‘Little Lions’ through cheer clinics. The girls introduced and taught basic cheerleading skills to girls in Kindergarten through 5th grade at WA. This Varsity Cheer season was extremely successful with all of the school spirit and encouragement this squad brought to the school community.

Cross Country
The 2014 Cross Country season was one of notable success. The men’s team were Conference, District, and Regional Champions for the fourth consecutive year. They also had a 7th place finish in the State meet. Senior Casey McCracken led the team much of the season with his amazing post-season performances while also clinching the All-Time WA Cross Country 5K record of 16:05.

The ladies’ team had steady success all season. Some highlights on the season were the exciting top 10 finish at the State meet, Regional Runner-Ups, District Champions, and Conference Champions. Senior Amanda Baker finished strong in the post season with a great District Championship performance and her sub-20 State Meet performance. Fellow Senior Brooke Oman also ended her high school cross country career in strong fashion as five out of her last six races were all personal records or course bests.

Coach Ken Key looks forward to returning strong men’s and ladies’ teams for next season.

Football
2014 was an outstanding season in many respects. It has been a long time since WA has recorded a nine-win season. Our football program drew media attention and was considered a legitimate football program in South Florida. The team recorded an undefeated regular season with noteworthy wins against Coral Shores, The Kings Academy, and LaSalle. They also won their first play-off game in 20 years. Although the team came up short in the semifinals, there was a chalk-full of success this season that the program is proud of. Below please find some noteworthy statistics:

Special Teams Stats: Kicked off 66 times and averaged 6+ per game, converted 42 of 46 extra points (91%), converted 10 of 13 two-point attempts (77%)

Defensive Stats: Surrendered 1,690 total yards (169 per game), surrendered only 120 points (12 points per game), recorded 14 sacks and 14 interceptions, forced 15 fumbles and recovered 12 of them, +18 turnover margin
**Offensive Stats:** The team rushed for 2,159 yards (215.9 yards per game - 57% of total offense) which resulted in 34 touchdowns; passed for 1,670 yards (167 yards per game - 43% of total offense which resulted in 17 touchdowns); 3,829 yards total offense and out-gained opponents by 2,139 yards; scored 385 points and out-scored opponents by 265 points

**Individual Honors:** Seven Southeastern Football Conference First Team/All Academic Team Selections, Five First Team All-County Selections for The Sun Sentinel, Four First Team All-County Selections for The Miami Herald, Two All-American Selections by the National Christian Schools Athletic Association, Six Southeast Super Region Selections by the National Christian Schools Athletic Association

As it’s clearly seen, WA football is successful. The program will continue to pursue excellence and demand a winning mentality. Go Lions Football!

**Golf**
The 2014 Men’s Varsity Golf team turned in a solid season. The team lost a significant scoring presence from last year with several key seniors moving on, so initial expectations were conservative for first year coach Austin Elmer.

However, the team turned in a respectable record of 4 and 6 with three losses being as close as two shots. The team rallied to advance through Districts with a solid performance and fell short of the 2nd qualifying spot at Regionals.

Senior **Elijah Thompson** just missed qualifying for the State Championships by a single shot as tough weather rolled through during his finishing hole.

The team was led this season by Seniors Elijah Thompson and **Andrew Boynton**, along with Junior **Brendan Abernethy**, and Sophomores **Thomas Neuman** and **Jeremy Bishop**. 8th grader **Chase Johnston** came up big on several occasions when the team needed a solid score turned in.

The entire team represented the WA family well throughout the season with their integrity, sportsmanship and Christ-like example in competition that we can all be proud of.

**Rowing**
The Westminster Academy Rowing team trained throughout the fall term, honing technique and physical endurance while attending three significant long-distance regattas. In mid October, the team competed in Miami Beach at the Head of Indian Creek regatta. Through choppy waters, eight rowers raced in various events against other South Florida Rowing organizations. Junior Quad consisting of **Zach Allsworth, James Joannou, Jackson Moore** and **Collin Renae** placed 4th in their event.

Four rowers represented Westminster Academy at the Head of the Hooch regatta in November which took place in Chattanooga Tennessee. This regatta is the second largest in the country with over two thousand boats from across the country racing throughout the weekend. For the first time, Collin Renae and Zach Allsworth represented Westminster in the Men’s Youth Pair and finished 21st out of 34 boats. Jackson Moore and **Kenny Rondino** competed in the Men’s Youth Single. Moore placed 8th out of 63 while Rondino placed 61st out of 63.
In a culmination of the fall season, the rowers attended the Head of the Giblet in November in Orlando. The rowers claimed four awards at this regatta. **Trace Reynolds** and **John Mills** received gold medals for their 1st place finish in the Men’s Under 15 Double event. James Joannou, Jackson Moore, Collin Renae, and **Ray Tong** were awarded 2nd place in the Men’s High School Quad event. In addition, Moore received 2nd place in the High School Single event along with Renae and Moore receiving 3rd out of 12 in the Men’s High School Double event. Also in attendance were team captain **Robert Calhoun, Dylan McIver**, Kenny Rondino and **Mark Yoder** who represented the Lightweight Double Event and finished in 4th and 5th place, respectively.

The Men’s Novice Four boat composed of **Alex Applegate, Aaron Pomeroy, Michael Radice** and Trace Reynolds who represented the freshman on the team and proudly finished 8th out of 18 boats with **Emily Greven** leading the way.

**Swimming and Diving**

Both Men’s and Ladies’ swimming and diving teams had another fun and exciting 2014 season. The Ladies’ finished off their dual meet season with an 11-1 record while the men went 8-4. The season was highlighted by impressive wins against American Heritage Plantation, Calvary, and North Broward Prep. The team also took an adventure-filled trip to Phoenix Arizona to compete in the Brophy Prep Invitational.

Both teams carried their success into the postseason. At Districts, the ladies’ team finished as Runner-Up’s with **Johanna Holloway, Caroline Nava, Jessica Nava** and **Elizabeth Zubero** placing in the top 3 individually. Zubero finished as District Champion in the 100 breaststroke while breaking two 30 year old school records in the process. The men’s team placed 5th at the District level while Seniors **Jason Woodburn** and **Alex Warters** placed in the top 3 individually.

Subsequently, the Lions had one of their best Regional meets in a long while. Jessica Nava and Johanna Holloway won individual titles and Caroline Nava was Runner-up in two events. In addition, **Amy Kranz** and Elizabeth Zubero had strong finishes and also qualified for the State Championship in both their individual events. Also qualifying for States in all three of the relays were **Koral LaStella, Mary-Elizabeth Mahoney, Amanda Wood** and **Victoria Bevill**.

On the men’s side, Jason Woodburn qualified for the State meet in two individual events, as did fellow senior Alex Warters who took 3rd place in diving. **Chase Perry** and **Blake Shaw** were first time Regional qualifiers, as well as returning senior **James Sparks**.

At the State Championships, the ladies’ continued their notable streak of top 10 finishes by placing 8th. In addition, the 400 free relay of Victoria Bevill, Koral LaStella, Mary-Elizabeth Mahoney and Amanda Wood finished 16th and scored valuable points.

Jason Woodburn and Alex Warters also finished their careers with strong showings. All of the swimmers and divers worked hard and performed well all season long and we look forward to a successful 2015 season.
Volleyball

The 2014 Varsity Volleyball season was a time of growth for the young and talented program. The team showed great skill and commitment throughout the season. During the fall, the girls were challenged in one of the most competitive districts in South Florida. The girls rose to the level of competition having played in 14 regular season games and two competitive tournaments. Through this, they gained much knowledge and experience after each match.

The season is recapped with a few standout athletes who contributed greatly on the court this season. Sophomore Jenna Boland led the team in assists with a season total of 302 while also adding 20 aces. Senior Micaela Von Essen led the team in attack percentage with an all-time high of 0.212. Fellow Senior Ester Hyskaj contributed 61 kills and 45 digs.

As we look forward to the upcoming 2015 fall season, we expect hard work over the summer and much preparation from the Lady Lions Varsity Volleyball team.

Winter Sports Season

Competitive Cheerleading

The 2014-2015 Competitive Cheer season was an overall success. The team began working hard on their routine in October. In December, the team had their first competition where they won 1st place in their division and were overall Grand Champions!

After three additional local competitions, the team competed at Regionals at Dillard High School where they scored well enough to land a spot at States. The squads' goal was to make it to the State Finals. After a great performance in the semifinals, the team made it to the Finals and placed 6th in the state. This team overcame many obstacles throughout the season and ended successfully.

Ladies’ Basketball

The Varsity Ladies’ Basketball team shared a successful 2014-2015 season. The team started off strong and competed throughout the season to finish with a 19-7 record. The ladies’ went 7-1 in the District and was awarded a #2 seed going into District play. The season was filled with a lot of hard work, effort and great memories.

Senior Brooke Oman was instrumental in helping lead the team through encouraging words and her positive attitude. She also did a great job on the boards and always played with heart out on the court.

Sophomore Raquel Rosa led the team with 18 points per game along with over 8 rebounds per game. Junior point guard Savannah Kelmanson and Sophomore forward Ali Sampo also contributed on the offensive side for the team with over 5 points per game with Kelmanson also averaging 4 assists per game. Every player on this team played a crucial role in making this season a success and the Lady Lions look forward and are excited to see what the Lord has in store for them in the 2015-2016 season.

Men’s Basketball
The 2014-2015 Varsity Men’s Basketball team finished another successful season with a record of 22 wins and 6 losses. The players were instrumental with what was accomplished on the season. They competed at the highest level and played the toughest schedule possible with noteworthy wins against 8A schools Piper High and American High School, 6A Hallandale High School and Monsignor Pace. Other big wins came against crosstown rival Calvary Christian, Pine Crest and Gulliver Prep.

Subsequently, the season was filled with memorable moments and great lessons learned. A high point in the season came when the Lions won the New Years Classic at Hollywood Christian. The team played three challenging games that ended with a well-deserved championship trophy. More importantly, they also took away a great experience that will always be remembered.

In life, adversity is always a challenge and the team put much focus on how God wanted them to handle the difficulties. They learned and practiced this season that God is in complete control and no problem is too big or too small for Him to handle. The team learned to put all trust in Him to see them through.

The blessings that were witnessed and the bonds that were made were large contributions to the success of this years team. Seniors Andrew Boynton, Lesley Dalger, Nate Tchvidjian, and Dylan Whitaker all played a huge part in this. This senior group played a pivotal role in helping the team grow as Christian men and they will be greatly missed.

Andrew Boynton led the team in scoring with 19.6 points per game while Freshman Zachary Scott followed right behind him averaging 19.2 points per game. Both were recognized and received All County Honors from The Miami Herald and The Sun-Sentinel. Nate Tchvidjian was a leader on and off the court and was a clutch player in big games, especially with his five- 3-pointers he made against Calvary Christian. Lesley Dalger brought a high level of athleticism to the team while leading in fantastic dunks that brought the fans to a roar.
Junior Davi Santos was a great team contributor as well with his versatility and coachable spirit. **Ladies’ Soccer**

This was a remarkable season for the Lady Lions Varsity Soccer team. The team is proud of its’ many achievements having won the WA Holiday Soccer tournament for the second consecutive year and also reaching the District Finals. The coaches are proud of the ladies’ impressive 16-4-2 record and credit the Senior leadership and devotion of Ebony Brown, Karin Sastre and Emily Stevenson for the teams’ success this season.

The team was made up of a lot of athleticism, talent and smart players who played with all of their heart and determination. The team did a great job defending, attacking and possessing the ball, while more importantly, playing as a family.

Lastly, the team gives all thanks and praise to our Lord, Jesus Christ, because it is His word that gives them the strength and courage to compete as well as they do. Go Lady Lions Soccer!

**Men’s Soccer**

The Varsity Men’s Soccer team started off the season with a new coach who immediately realized that he inherited a team of Christ-centered players who came together to make an outstanding soccer team. The objective for this season was to make it even greater than the previous one, and they did just that. A few highlights on the successful season were their 14-2-1 record, capping the #1 seed in District play, and also taking home a well-deserved District Championship trophy.

The season came to and end in the Regional Semifinals in a tight battle that resulted in a 2-3 loss to Sagemont that went into overtime.

Junior Captain James Scasserra led the team in goals scored while Sophomore center midfielder Patrick Sastre led the team in assists. Jason Saenz, Travis Singh and Elijah Thompson were all brick walls on the defensive side of things. Together, the three of them maintained many clean sheets (no goals scored) throughout the season.

Other key performers on the season were underclassmen Michael Hunter, Joshua Kraus and Patrick Lynch. These players did a great job driving and motivating the team to help contribute to the successful season.

The team will return a lot of talented players and athletes which will help to once again, attain the objective to make the 2015-2016 even greater than the last. Go Lions Soccer!
Baseball
The Varsity Baseball team enjoyed another solid season going 18-9 in their spring campaign. The Lions went 4-2 in District play and enjoyed noteworthy wins over several of the top programs in South Florida.

The Lions have been ranked in the top 10 in Broward County all season and were ranked as high as #5. The team had great production and leadership from their large senior class consisting of Frankie Corridori, Sean Paul Cronin, Gabriel Delgado, Jake Dudas, Davis Fouts, Nick Gauntner, Luis Leal and Trace Norkus. This talented group of seniors will be sorely missed.

Rowing
On February 2, the spring season kicked off with the 32nd Southern Sprints Indoor Ergometer competition at FIT's campus in Melbourne. Ten rowers competed in events with both club and high school teams throughout Florida. All ten rowers surpassed their personal record during the competition. Among which was Freshman Emily Greven, who placed 5th out of 45 coxswains in the 1000-meter event.

The team continued on to attend the 1st Battle of the Blues Regatta in Orlando where eight of our athletes went to compete in multiple events. The team brought home medals from three events awarded to Zach Allsworth, James Joannou, Jackson Moore, Aaron Pomeroy, Collin Renae, Kenny Rondino and Sydney Yu. It was a fantastic opportunity to build camaraderie between teams in our region.

In March, the team participated in the Tampa Mayor’s Cup. Ten rowers and coxswain Sydney Yu raced in the heart of downtown Tampa in a regatta which over twenty teams contributed entries. Among the events, Moore placed 1st in the Men’s Youth Single, along with Renae and Allsworth placing 2nd in the Men’s Youth Double.

The team’s hard work culminated in preparation for Florida State Rowing Association’s 2015 Sculling Championships in mid April. Each rower showed strength of will and determination, finishing in the middle of the pack or higher. Sophomore Collin Renae and Junior Zach Allsworth earned Westminster Academy’s very first state champion bronze medals in the Junior Double event against eighteen other boats. In the Men’s Varsity Single event, Sophomore Jackson Moore earned fourth place out of 22 competitors. Michael Radice, Alex Berry, James Joannou and Kenny Rondino placed eighth out of thirteen boats in the Junior Quad event, showing a strong commitment and promise as a united quad. Team Captain and Senior Rob Calhoun was joined by Junior Dylan Mclver in the very competitive Lightweight Double category, and earned tenth out of the seventeen competitors.

Two weeks later, Westminster Academy attended FSRA’s Sweep Championships. Zach Allsworth, Alex Applegate, Aaron Pomeroy and Collin Renae raced multiple times over two days in the Sarasota heat with their coxswain Sydney Yu. For a team that spends little time in sweep boats, the athletes showed tremendous dedication and perseverance. They finished 15th out of 19 boats in the challenging Junior Four event boats.
In the summer, Jackson Moore will travel to Gainesville, Georgia for the US Rowing Southeast Junior Regional Championships on May 9th-10th in hopes of qualifying for Youth Nationals. The regatta consists of the top rowers from Tennessee, Louisiana, Mississippi, Alabama, South Carolina and Florida. The top three rowers in his event will qualify for the US Rowing Youth National Championships in June.

Due to the stellar results at FSRA Sculling Championships, Westminster Academy will be represented for the second year in a row at the US Rowing Scholastic National Championships on May 22nd in Camden, New Jersey. As one of the top two scholastic rowers in his event, Jackson Moore qualified in the Varsity Single. Collin Renae and Zach Allsworth have placed a petition for entry into Scholastic Nationals and are training in hopes of attending. They will find out on May 12th if they are invited. Go Rowing Lions!

**Softball**

The Lady Lions’ Softball team shared a memorable and successful 2015 season. Some highlights were their 15 wins, defeating district rival Coral Springs Christian three times on the season, competing with some of the stronger teams in the area, and lastly, winning the District Championship for the second consecutive year.

Senior captains **Brantley Taylor** and **Micaela Von Essen** both ended their high school softball careers in stellar fashion by playing pivotal roles in the teams’ success. Taylor played 1st base this season where she played heads up defense and also found a home in the middle of the batting lineup where she batted .389 on the season with 20 RBI. Von Essen quarterbacked the outfield in center field where she covered a lot of ground and made many memorable plays. Along with her fellow senior teammate, she also contributed greatly at the plate finishing the season with a .385 batting average with 20 RBI and 27 runs scored (second on the team).

The team proved to be an offensive threat this season with not only Taylor and Von Essen, but also through the big bats of **Chelsea Brown, Maddi Conner, Jenny Jacob** and **Ali Sampo**. All three ladies’ hit over .390 on the season and also put up strong numbers in the RBI and extra base hits categories.

Defensively, 6th grader **Jaime Davis** took over the role as the ace of the pitching staff collecting 11 of the teams’ 15 wins. Jenny Jacob also helped with the pitching duties and did a great job on the mound. Both did a solid job limiting the opposing hitters with ground balls and pop flies which the team defended well behind them. Behind the plate was Freshman Maddi Conner who performed solidly for her catching debut this season. Chelsea Brown, **Kiersten Casey, Bailey Fleck, Camryn Pagliaro** and Brantley Taylor all did a great job in the infield with their range, speed, and heads up plays. The outfield consisted of **Erika Hall, Lexi Kinsey, Kayla McCracken**, Ali Sampo and Micaela Von Essen. This group did a fantastic job as the last line of defense as they made memorable and game-changing plays that helped clinch many victories.

Coach Casey Jarvis is proud of the instrumental season her team had as their versatility showed to be a key ingredient for their accomplishments. The leadership, passion and Godly example from seniors Brantley and Micaela will be missed but the future continues to look promising for the young, talented group of returners which will make for another memorable season.
Tennis
The Varsity Tennis team enjoyed a memorable 2015 season with six graduating seniors and many new players on both men’s and ladies’ teams.

Our Men’s team finished with an 8-4 record while our Ladies’ ended with an 8-2 record. Both teams performed very well throughout the year and were blessed with the opportunity for many new players to experience match play.

Seniors Ashley Briggs, Christina Calhoun, Lauren Klinge, Andre Nunez, Libby Revier and Julia Ritter will be greatly missed. They all brought wonderful and memorable experiences throughout their tennis careers. The team looks forward to what God has in store for them in the next chapter of their lives.

In addition to our five lady seniors, Cayla Coningsby, Emily Jones and Grace Revier all contributed greatly on the season. Coningsby enjoyed an 8 match singles win streak while Revier received the ‘Winston Churchill’ Award for her determined spirit to never give up and ability to come back after from being behind. The team was also blessed to have Kseniya Konyshева, Gabby Masso, Bayleigh Pearson and Chandler Peters contribute to the success as well this year.

On the Men’s side, there were many returners along with a few new faces on the team. A tough top-position friendly feud ranged between Junior Brendan Abernethy and Senior Andre Nunez. Jamie Charmes, Jonathan Moulton and Maxwell Simonson were welcomed to the team this year to compliment and stimulate returners Brandon Climenhage, Ryan Helmholdt and Ryan Markowski.

The highlight of the District tournament took place at the #1 Doubles match where Abernethy and Nunez upset the #2 seeded Calvary Christian Eagles with a great performance. Markowski played the regular season undefeated in his position and reached the District Finals. Climenhage also enjoyed a great year with one loss before reaching the District Finals.

With a large graduating class, there is great opportunity for the young and upcoming players for the 2016 season. Go Lions Tennis!

**Ladies’ Water Polo**

The Varsity Ladies’ Water Polo team finished their season in Regionals where they lost a hard-fought battle against Saint Andrews School by a single goal in the last minute of the game. They ended with an impressive 14-4 record on the season.

**Men’s Water Polo**

The Varsity Men’s Water Polo team also ended their season in Regionals after finishing off their season with a strong 14-6 record.
