### Payment Terms

#### Tuition, Capital Maintenance, & Student Activity Fees

When a student is enrolled at Westminster Academy, and the enrollment fee is paid, families are liable for an entire year of tuition, due in full on June 1, prior to the start of school. We recognize that such a large outlay is not practical for many families, and as a result, we offer several payment options:

**Annual**—A 2% discount is available for annual payments made by June 1

**Semi-Annual**—Due on June 1 and December 1

**Quarterly**—Due on June 1, September 1, December 1, and March 1

**Monthly**—Due on the first of each month for 12 months starting on June 1. A 2% service charge will be included in the calculated monthly charge. Accounts that are not paid by the 15th of the month will be considered past due and will be charged a \$25 late fee.

The FACTS Tuition Management Program will only accept payment in one of two ways:

**ACH Bank Transfer**—Banking information must be provided to facilitate automated monthly ACH draws. No bank fees will be assessed by FACTS.

**Credit Card**—A credit card must be placed on file, and credit card processing fees will be assessed by FACTS.

#### Optional Program Fees

Optional Program Fees are billed as they are incurred throughout the school year. Payments can be made in three ways:

**ACH Bank Transfer**—No fees are assessed by FACTS

**Credit Card**—Credit card processing fees will be assessed by FACTS

**Cash or Check**—Returned checks will be subject to a \$30 fee assessed by Westminster Academy.

#### Financial Assistance Program

The objective of the Westminster Academy Financial Assistance Program is to assist Christian families who have a demonstrated financial need and are unable to afford the full cost of tuition. The program is available for students in kindergarten through twelfth grade. Financial assistance is offered in the form of annual grants which are determined by a sub-committee of the School Board after an evaluation of the applicant's financial need.
