Student-Athlete Expectations at Westminster Academy

It is an honor and privilege to participate in athletics at Westminster Academy. As a student-athlete at WA, I am expected to strive to meet, and whenever possible exceed the following expectations for God's glory:

1. Exemplify Jesus Christ with my words, attitudes, practices, preparation, performances and witness both on and off the field
2. Pursue excellence as an individual, team member and school community member in academics as well as athletics
3. Prepare, expect and compete to win with honesty and integrity
4. Model a humble and thankful spirit in victory and a gracious and respectful spirit in defeat
5. Demonstrate a respectful attitude and an appreciation for my parents, coaches, teammates, fans, opponents and officials in victory and defeat

Parent Statement of Understanding

- 1) I understand that participation in activities and athletics is a privilege and an honor, and that the rules of the Florida High School Activities Association and the school as they impact academic grades, attendance and Christ-honoring conduct must be maintained. My child must make every effort to:
 - A) maintain a 2.0 cumulative grade point average in all coursework attempted with a minimum load of five subjects. If my child receives two failing grades during a grading period, he/she may become ineligible to participate on the team.
 - B) be in attendance for at least half of the day of an event.
 - C) maintain Christ-honoring sportsmanship on the field or court regarding teammates, opposing players and referees (umpires) to be allowed to continue participating.
 - D) maintain compliances with the policies of the school to remain eligible.

- 2) I will personally strive with great diligence to maintain Christ-honoring standards of sportsmanship at all athletic contests. Game officials, parents, coaches, and players of other teams will be treated with respect and honor, as befits the conduct of a godly man or woman.

- 3) Recognizing that granting financial assistance to a high school student who also participates in athletics involves compliance with rules and regulations of the Florida High School Activities Association, and understanding the commitment of Westminster Academy to fully comply with those rules and, I confirm that:
 - I was not recruited to Westminster Academy through the promise of financial assistance as an inducement to enrolling my child in the school.
 - I have not been given any promise of financial assistance by the school's administration or staff other than normally provided through the school's regular financial assistance program.
 - I further understand that all financial assistance granted by the Financial Assistance Committee of the School Board is based on an analysis of the family's proven financial need, and must be verified by a third party agency stipulated by the school's Financial Assistance Committee.

**Consent and Release from Liability Certificate for
 Sudden Cardiac Arrest and Heat-Related Illness (Page 3 of 4)**

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School: _____ **School District (if applicable):** _____

Sudden Cardiac Arrest Information

Sudden cardiac arrest is a leading cause of sports-related death. This policy provides procedures for educational requirements of all paid coaches and recommends added training. Sudden cardiac arrest is a condition in which the heart suddenly and unexpectedly stops beating. If this happens, blood stops flowing to the brain and other vital organs. SCA can cause death if it's not treated within minutes.

Symptoms of sudden cardiac arrest include, but not limited to: sudden collapse, no pulse, no breathing.

Warning signs associated with sudden cardiac arrest include: fainting during exercise or activity, shortness of breath, racing heart rate, dizziness, chest pains, extreme fatigue.

It is strongly recommended all coaches, whether paid or volunteer, are regularly trained in CPR and the use of an AED. Training is encouraged through agencies that provide hands-on training and offer certificates that include an expiration date.

Automatic external defibrillators (AEDs) are required at all FHSAA State Series games, tournaments and meets. The FHSAA also strongly recommends that they be available at all preseason and regular season events as well along with coaches/individuals trained in CPR.

What to do if your student-athlete collapses:

1. Call 911
2. Send for an AED
3. Begin compressions

FHSAA Heat-Related Illnesses Information

People suffer heat-related illness when their bodies cannot properly cool themselves by sweating. Sweating is the body's natural air conditioning, but when a person's body temperature rises rapidly, sweating just isn't enough. Heat-related illnesses can be serious and life threatening. Very high body temperatures may damage the brain or other vital organs, and can cause disability and even death. Heat-related illnesses and deaths are preventable.

Heat Stroke is the most serious heat-related illness. It happens when the body's temperature rises quickly and the body cannot cool down. Heat Stroke can cause permanent disability and death.

Heat Exhaustion is a milder type of heat-related illness. It usually develops after a number of days in high temperature weather and not drinking enough fluids.

Heat Cramps usually affect people who sweat a lot during demanding activity. Sweating reduces the body's salt and moisture and can cause painful cramps, usually in the abdomen, arms, or legs. Heat cramps may also be a symptom of heat exhaustion.

Who's at Risk?

Those at highest risk include the elderly, the very young, people with mental illness and people with chronic diseases. However, even young and healthy individuals can succumb to heat if they participate in demanding physical activities during hot weather. Other conditions that can increase your risk for heat-related illness include obesity, fever, dehydration, poor circulation, sunburn, and prescription drug or alcohol use.

By signing this agreement, the undersigned acknowledges that the information on Sudden Cardiac Arrest and Heat-Related Illness have been read and understood. I acknowledge optional educational opportunities in cardiac arrest at www.nfhslearn.org. Please go to www.fhsaa.org/departments/health for further instructions to view the courses. I have been advised of the dangers of participation for myself and that of my child/ward.
